

BEST PRACTICE PEOPLE

Welcome to Best Practice People.

Having an understanding of your experience of using digital applications, can help us assess if you need further assistance in getting the best out of the programme. Please note there are no right or wrong answers and please contact us if you have any concerns.

You can access support at any time as follows:

Contact the Learner Support Team on 0800 888 6064 or e-mail skills@bestpp.co.uk from 9am to 6pm.

Contact our CEO, Grant Basson, at anytime on 07807 058 006 and grant@bestpp.co.uk

Note: Grant Basson is also the Safeguarding Lead for Best Practice People, and should you have any concerns or issues relating to safeguarding, he should be contacted immediately.
